

# Goswami Moksh

Gandhinagar, Gujarat

☎ +91 8128223000 ✉ [goswamimoksh355@gmail.com](mailto:goswamimoksh355@gmail.com)

## EDUCATION

**Pandit Deendayal Energy University**

Bachelor of Technology in Computer Science and Engineering (CGPA of **9.8**)

**November 2023 - May 2027**

Gujarat, India

## WORK EXPERIENCE

**Juspay**

**March 2025 – August 2025**

*SDE Intern*

*Bangalore*

- Designed and implemented **scalable** solutions for the notification engine, optimizing system performance.
- Implemented **log-based alerts** for an application, enhancing monitoring and error detection capabilities.
- Successfully onboarded **5+** merchants, facilitating clear communication of their requirements and seamless integration into Juspay's system.

**FlyFin AI** (#1 A.I. tax service for freelancers)

**June 2024 – August 2024**

*Software Engineering Intern*

*Remote*

- Achieved **60%** reduction of manual efforts when creating releases on GitHub using **YAML** and **GitHub Actions**
- Led automation of **semantic versioning** which led to **30%** reduction in deployment errors
- Developed **CI/CD** pipelines that automated workflow using GitHub Actions
- Learnings:** Git, GitHub, GitHub Actions, App Center, Team Collaboration

## COMPETITIVE PROGRAMMING PROFILES

- |  |  |
|--|--|
| • Codeforces - <b>Moksh253</b>  | 2117 ( <b>Master</b>   <b>Top 100 in India</b> )             |
| • CodeChef - <b>Moksh253</b>    | 2239 ( <b>6-Star</b> )                                       |
| • LeetCode - <b>Moksh253</b>    | 2800 ( <b>Top-0.06% Worldwide</b>   <b>Top 10 in India</b> ) |
| • AtCoder - <b>Moksh253</b>     | 1595 ( <b>3 - Kyu</b> )                                      |

## PROJECTS

**Task Scheduler** | *Node.js, PostgreSQL* | [GitHub link](#)

- Designed and implemented **RESTful APIs** for a Task Scheduling system
- Implemented secure user authentication using **JWT**
- Leveraged **node-schedule** to schedule tasks and **winston** to store activity logs
- Employed **PostgreSQL** as the relational database and deployed the backend on **Render**

## ACHIEVEMENTS

- Qualified for **ICPC** Regional round **5** times
- Google Kickstart:** Global rank **77** in Farewell Round A 2023, Global rank **182** in Round H 2023
- Google Code Jam:** Global rank **879** in round 1B 2022, **Qualified for round 2 2022**
- Leetcode:** Global rank **34** and India rank **2** in weekly contest 311
- Leetcode:** Global rank **30** and India rank **3** in biweekly contest 128
- Solved **3000+** problems across various coding platforms

## TECHNICAL SKILLS

- Languages and frameworks:** C, C++, C++ STL, Python, Django, Java, HTML, CSS, SQL, Node.js, GO Lang
- Core:** Data Structures and Algorithms, Database Management Systems, Operating Systems, OOPS
- Tools and Technologies:** Git, GitHub, GitHub Actions
